[1524] Kalamitsi Village Home

Price:

A traditional house in need of renovation within the village with charming views of the sea and the village

The two levels house is set in a picturesque village on the West Coast of Lefkada, very close to some of the most well-known beaches with emerald waters. The first level of 53 sqm presents a living area, a bedroom, a bathroom and a kitchen area with direct access to a spacious terrace. The ground floor of 57 sqm used to be a cellar in the past and gives you the opportunity to create a new apartment or expand the existing one.
