## [1728] Ammouso Above Project #2

**Price: 325.000€** The price includes the land and the building license  
A distinct villa project accompanied by a full building license on an enchanting hillside with magic views of the South Ionian Sea, Kefalonia and Ithaca  
Designed by a Swiss architect, this luxurious and modern project villa is located in a pristine area with dramatic views of the endless blue of the Ionian Sea and the all-encompassing natural beauty in an enclave of absolute calm.

The model of this unusual house is inspired by the intricate details of a Spanish fan. Each of the two levels has different dimensions and shapes, and they ar...
