[1763] Kariotes Homestead

Price: 550.000€

This 3-unit dwelling sits on a beautiful orchard full of olive and fruit trees, just 4km from Lefkada town and Marina. This plantation with over 50 olive trees, fruit trees, and a small vineyard is the sitting ground for this multiple-unit home. It is an opportunity for someone who wants to be away from town yet close enough; who enjoys agriculture and cultivating fruits and vegetables, making olive oil and homemade wine even in today's modern world; and who loves to host family and friends but still wants privacy.
