A 4-bedroom, 2-bathroom house above Lefkada town with sea and mountain views as far as the eye can see

This collection of three houses sits on a hillside just above the city, where all amenities and the beloved kitesurf resort Milos Beach are 3km-5km away.

Each house measures 149m² over two floors. The interior layout and concept are identical for all three. They have been conceived to be a single dwelling or as two independent apartments connected by an internal staircase. Each floor features an open-plan living area with a kitchen, 2 bedrooms, and a bathroom with a shower. Large glass sliding doors open onto a private garden and terraces with alluring views over Lefkada town, the sea, and the surrounding verdant mountains. The 66m² pool is available to all homeowners and their guests to enjoy moments under the warm rays of the sun.

The price of each house is 420.000€ and can be purchased separately.
