A breathtaking elevated plot in Poros with a fully approved building license, offering magnificent panoramic views of the mainland, Meganisi, and the surrounding Ionian islands

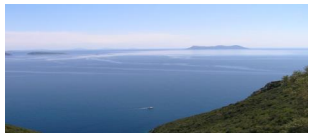

Set on an elevated position above Poros, this extraordinary plot offers magnificent panoramic views across the mainland, Meganisi, and the surrounding Ionian islands. Its privileged height, natural beauty, and full building license make it one of the most attractive opportunities in the area.

The approved architectural design features a new ground-floor residence with a private swimming pool, landscaped terraces, pergola-covered outdoor living areas, and a green roof. Surrounded by a beautifully mature olive grove, the villa layout highlights seamless indoor–outdoor living, with spacious living and dining areas, a large kitchen, and multiple bedrooms with en-suite bathrooms — all opening onto generous verandas overlooking the shimmering Ionian Sea.

In addition to the main licensed plot, the property includes an adjoining land area of 7.792.53 m², offering extended privacy, natural surroundings, and further development potential. Perfectly positioned to capture sweeping views of the Ionian archipelago, this plot is ideal for a luxury private villa or a high-end investment project.
